

The new super-slim ARC LED strip has been specifically designed for true handleless and worktop lighting. However, it can also be used on plinths, within cabinets, and recessed into cabinetry to give a discreet look.

At 4 x 7mm, it offers a discreet, dot-less uniform light line. It can be recessed into a worktop, or fitted to aluminium profile within a handleless kitchen using the 3M VHB adhesive tape which is applied to each 5 metre length of strip.

There are 2 metre cables with connectors on each end, and it can be cut at 25mm intervals, therefore cutting down on waste.

The super-slim ARC can negotiate 90 degree internal and external corners without creating any dark spots, and at 1.5w per metre, it is very energy efficient.

The product also comes with a 5 year warranty and is IP67 rated, so it is totally waterproof. It utilises Sycamores plug and play system, so installation times are vastly reduced.

THE TECHNICAL SPEC...	
Voltage	12Vdc
Colour Temperature	3000K & 4000K
Guarantee	5 Years
Wattage	1.5w Per Metre
Total lumens	150 Lm
IP Rating	IP67
CRI	>90
Beam Angle	120 Degree
Cut Marks	Every 25mm

Part Numbers	Description
SY9026WW or NW	5M Reel with 2m cable on both ends
Suitable Power Converters	
SY9980B	12vDC/8W LED Power Converter (Max 5m)
