

The Athena single door illuminated LED Mirror cabinet features a built in shaver socket, & three adjustable height glass shelves within the cabinet to store bathroom accessories. A further mirrored panel is situated on the internal side of the door. Externally, the cabinet has mirrored panels to either side for a sleek look.

The stylish diffused illuminated border to the front of the cabinet provides a uniform light output with no dark spots. The Tunable function enables users to choose the most suitable colour temperature for their décor or individual preference, warm white, natural white or cool white. It can also be dimmed to create the desired ambience.

The built in demister pad ensures a fog free mirror, and has an IP44 rating making it suitable for use in a bathroom environment
