

The Oslo features a natural white (4000K) LED diffused illuminated border to the face of the mirror, which provides a uniform light output with no dark spots.

The mirror stays fog free due to the built-in demister pad, which switches off automatically after 30 minutes. The mirror also has an IP44 rating making it suitable for use in a bathroom environment.

-  600mm(dia)
-  IP44 Rated
-  Diffused Border
