Guarantee	3 years
Colour Appearance	Tunable White—Warm/ Natural/Cool White
Colour Temperature	2700K—4000K—6500K
Wattage	24W
IP Rating	IP44
Lumens	1400lm

*Based on 70% of initial lumen output

This new LED Mirror features built in dual channel Bluetooth Speakers which enables users to stream from connected devices, such as smartphones or tablets.

It also features a diffused illuminated border, which provides a uniform light output with no dark spots. The Tunable function enables users to choose the most suitable colour temperature for their décor or individual preference; warm white, natural white or cool white. It can also be dimmed to create the desired ambience.

The built in demister button ensures a fog free mirror, and the mirror has an IP44 rating making it suitable for use in a bathroom environment.
