

The Air-Stream Pro fan has a slim, compact and light design, suitable for bathrooms, en-suites and toilets. Designed to be fitted into walls and ceilings, this modern design is easy to wipe clean and duct over short lengths (2m max). The fan also features an integrated delay timer and a silicon steel motor with built in cut off protection. This ultra-quiet fan is an ideal solution for removing damp moist air, odours and airborne pollutants.

Available in White or Chrome finish. An optional black or stainless steel effect cover is available to purchase separate (please purchase white fan plus the Stainless Steel or Black cover)
