THE TECHNICAL SPEC...

Fitting Type	LED
Voltage	12Vdc
Colour Temperature	Warm White (3000—3500k)
	Natural White (4000—4500k)
	Cool White (5500—6000k)
Lamp Life*	30,000*
Wattage	9.2w Per Metre
Cable Length	2m (purchased separate)
Cut Marks	Every 25mm
IP Rating	IP65
Chip Size	3528
No of LED's	120 per metre

8mm (w) x 2mm (d)

every 25mm

*Based on 70% of initial lumen output

FEATURES

This high output LED strip is ideal for areas which need a bit more light output than usual, such as beneath a cabinet to illuminate the worktop.

The 2 pin micro plug connector system LED strip is compatible with our 12Vdc power converters, switching accessories and 4 zone remote system. The strip is self adhesive flexible and linkable to other LED strips to make longer runs if required. The last length of strip in any run can be cut, with cut marks every 25mm marked on the strip. The LED strip and the supply cables are conveniently shaped to eliminate the possibility of wrongly connecting the strip

Mounting in the aluminium extrusions ensures runs are kept straight & neat. The diffuser finishes off the clean look & provides further protection from dust & any water splashes. The aluminium extrusions can be cut to the size required. Distributor cable purchased separately.

Maximum length for one run = 10m

Part Numbers	Description
SY7777AWW/MF,NW/MF or CW/MF	500mm Strip warm, natural or cool white (4.6w total)
SY7778AWW/MF,NW/MF or CW/MF	1M Strip warm white, natural or cool white (9.2w total)
SY7780AWW/MF,NW/MF or CW/MF	2M Strip warm white, natural or cool white (18.4w total)
Accessories	
SY7758A	2M Distributor cable (from driver to first strip, (JST block to 2 pin) x 1
SY7183	2M Extension Lead (to extend distributor cable)
SY7954	2 Pin 100mm bridge/corner cable (strip to strip connection)
SY7955	2 Pin 500mm bridge cable
SY7956	2 Pin 1M bridge cable
SY7657	2 Pin 2M bridge cable
SY7958	2 Pin 5M bridge cable
SY7959	2 Pin Y Splitter
SY7960	2 Pin distributor cable pack with screws and 6 x U brackets
SY9565	4 Zone (WiFI compatible) remote control
SY7542AA	4 Zone (WiFI compatible) receiver
SY7562	4 Zone WiFI control device
Suitable Power Converters	
SY9739A/MF	15W 12V LED Power Converter (Runs Max 1.5m)
SY7350A/MF	20W 12V LED Power Converter (Runs Max 2m)
SY7351/50W	50W 12V LED Power Converter (Runs Max 5m)
SY7440A	100W 12V LED Power Converter (Runs Max 10m)

For bespoke plans or runs over 10m, please contact our technical department with your enquiry. 0113 2866686 or email tech@sycamorelightingltd.co.uk
