

Infinity Compatible\*\*\*

**FEATURES**

The Sirius Connect features an innovative new plug and play system, in which the cable detaches directly from the back of the light unit enabling the fitting to be installed easily into the base of a cabinet. The Sirius Connect also features a diffused cover, so there are no visible LED points in the fitting, and also has a 120 degree beam angle which fills cabinets or work surfaces, eliminating dark spots.

**MAXIMUM LUX LEVELS**

**THE TECHNICAL SPEC...**

Fitting Type	LED
