

ORION MAGNETIC SUPER SLIM LED CABINET LIGHT

FEATURES

This surface mounted fitting has a high quality body, with a super slim profile. The fitting features a unique magnetic fixing method for ease of fitting. It also features a diffused cover, so there are no visible LED points in the fitting.

The LED is available in warm, natural or cool white, making it suitable for any type of kitchen design, whether traditional or contemporary. A brushed nickel magnetic bezel is included, however Black or white magnetic bezels are available to purchase separately.
